Tobacco Treatment Specialist Program

(Online Basic Course + 4 Days In-person Training)

The Tobacco Treatment Specialist (TTS) Training and Certification Program is designed for individuals who are interested in giving moderate to intensive tobacco treatment services.

It is an evidence-based training program with a curriculum designed to address core competencies defined by UMASS and accredited by the Association for the Treatment of Tobacco Use and Dependence (ATTUD).

Learning Objectives:

- Intake, Assessment, and Treatment Planning
- Biological, Psychological and Social Factors
- Guidelines for Systems and Professionals
- Introduction to Motivational Interviewing
- Pharmacotherapy for the Treatment of nicotine Dependence
- Cognitive and Behavioral Treatment Strategies

March 8- 11, 2021
